

Pupil Outcomes

Statutory Assessment 2020 and 2021

Due to the Covid-19 pandemic, and the unprecedented cancellation of all statutory assessments and tests for Primary School pupils in Summer 2020 and 2021, there is no performance data available for the 2019/20 Academic Year. For the same reason, the government has not published any educational performance data based on tests, or assessments for either year.
