

4th September 2020

Dear Parents and Carers,

Thank you so much for your cooperation today. Things were much calmer at the start of the school day and you all helped by keeping to your staggered start times and socially distancing from each other. We listened to what you told us yesterday and the improvements that we made to the systems overnight made a difference too!

We had a great response to the short survey we sent you yesterday regarding walking across the playground. We recognise that many of you do want to cross the playground and so, from Monday you will be able to do this if you really need to. You will still have to follow the one-way systems that we have in place at the front and back entrances. We will keep looking at how things are going throughout next week.

The behaviour of the children has been excellent once again today. Year 3 had the highest attendance again today, closely followed by Year 5 and Year 1! We are sure that the other year groups will catch up soon! We hope you all have a lovely weekend.

Thank you for your ongoing support.
