Dear Parent/Carer

Re: River on a Board

This term Year 6 are studying the Americas in our topic 'Land of the Free'. As part of this topic we will be studying the River Amazon and comparing it to other rivers in America. For our marvellous middle, on **Tuesday 6 November 2018**, we would like the children to create a river on a board using natural materials from Forest School.

As this activity will involve water and mud children will need to bring in suitable outdoor clothing and footwear to change into so that they don't get their uniform dirty. Due to the nature of the activity, if children do not bring in a suitable change of clothing then they will be unable to participate in the activity.

Should you require any further information then please do not hesitate to contact either myself or your child's class teacher.

Yours faithfully

Ms H Davenport
Year 6 Teacher
